

Graham's Home Bakery

Ambient Fresh

Background

Based in Dromore, Co. Down, Graham's Bakery was established by May Graham in 1955 and is now one of Northern Ireland's most successful independent family bakeries.

Graham's has a portfolio of 20 different products all baked on site and using quality ingredients, especially Northern Irish fresh creamery butter.

The range includes Cup Cakes, Traditional buns, Indulgent Cakes, Traditional Irish Oat Cookies & Irish Butter Shortbread and Family Treats.

The company is also able to cater for Festive Seasons, including Easter, Halloween and Christmas.

Products are free from artificial flavours, colours and hydrogenated fats.

Graham's supplies both multiple and symbol groups throughout Northern Ireland, the UK and the ROI.

The company also exports product to the Europe, US and Middle East markets.
