

Motions Bakery (Gluten Free)

Ambient Fresh

Background

Motions began as a journey of love, when its founder Christine endeavoured to create great tasting gluten-free cakes for her coeliac Husband. Today, the award-winning bakery produces a range of delicious treats that everyone can enjoy...

Created with love, baked with a smile.

All cakes are handmade by the Motions team, using only the best quality ingredients. With fresh free range eggs, rapeseed oil, real butter, and only ingredients you could pick-up in a shop yourself - you can rest assured you'll find no unwanted additives or preservatives throughout the range.

Our baking mixes can be ordered directly through this site, with all other items available from our stockists.
