

Lacada Brewery

Ambient Chilled

Background

Lacada Brewery Limited, a co-operative business with almost 290 members, has grown from strength to strength since it first began trading in October 2015. Four years on, it has established itself as one of Northern Ireland's leading breweries, winning several awards along the way, including Best New Product in the 2017 Blas na hÉireann Irish Food Awards, and a coveted 3 Stars in the 2018 Great Taste Awards.

The brewery, situated in the centre of Portrush, currently employs 8 people and distributes its own products. Northern Ireland enjoys the lion's share, although some has been exported to England, Scotland, Wales, Ireland, and Denmark.

It is seeking to raise £125,000 through new investment to realise an ambitious expansion plan, expected to take up to 3 years to fully complete.
