Background

Founded by Alanagh Chipperfield & Ilse Van Staden in 2012, Ke Nako Biltong has quickly created a cult like following. Starting at the local markets in Belfast we are now based at the Ballylagan Organic Farm as well as still attending a lot of local markets around Northern Ireland.

We recently launched a mobile app which you can use to order all your favourite dried meat treats.

All our products are made from 100% Irish Beef, ensuring the best flavours and texture.

Product Range

Droëwors – Original, Chilli & Garlic – ground beef stuffed in a lamb casing.

Biltong – formed from the Dutch words “BIL” (meaning meat buttock or hind quarter) and ‘TONG@ meaning “strip”. Preserved with our special blend of spices, this is the best Biltong in the UK and Ireland.

Chilli Bites – Spiced with fresh Chilli Flakes these chilli bites are to die for.

Stokkies – a delicious, highly addictive, low in fat, high in protein snack.
