

Crilco Confections

Ambient

Background

Founded in 1974, Newry based Crilco Confections Ltd manufacture, pack and distribute a range of confectionery throughout Ireland & the UK.

Crilco are famous for their traditional confectionery products including Clove Rock, bulls eyes, sour apples, rhubarb & custard & cough drops.

The company has also expanded to become a manufacturer and packer of own label jellies & hard boiled sweets to the large supermarket chains and Distributors through out the UK & Ireland.

The company has also taken the step of manufacturing all its hard boiled sweets in Natural Colours & flavours to meet consumer demand.

In addition, a wide range of childrens novelty lines are available which are sourced all over the world at very competitive prices to increase profit margins for the retailer.

The company operates from modern premises on the outskirts of Newry City.
