Background

Clandeboyne Estate Yoghurt located on the historic Clandeboyne Estate in Bangor, uses whole milk from County Down to produce a range of Natural and Greek Style Yoghurts.

Founded by the late Lady Dufferin in 2008 the brand have won a wide range of awards for their high quality products.

Hand made using traditional techniques Clandeboyne Yoghurt offers a rich taste and creamy texture without high fat content. The milk is prepared and cultured very gently over a 24 hour period in small batches. This helps to create the exceptional flavour and texture for its yoghurts.

Clandeboyne's Greek style yoghurt is authentically strained through cheesecloth for over an hour to create a product with absolutely no thickening additives or powders.

The company offer a wide range of retail formats, flavours and added value products with Granola/Dessert inspired 'top hats'.
