Ambient Fresh

Background

Hovis® Ireland is part of Hovis® Limited that bakes and distributes quality and great, tasting brands such as Hovis®, ORMO®, Mother's Pride® and New York Bakery Co, based at its Apollo Road site in Belfast since 1974.

Hovis® also develops and bakes private label bread and other bakery products for retail and Food Service customers across the Island of Ireland and Great Britain.

Hovis®' rich heritage and delicious loaves of bread are as good today as they've always been as Northern Ireland's favourite pre-packaged bread brand*. The range includes the flagship Hovis® Soft White, the original Hovis® Granary® & Hovis® Seed Sensations® that is 'bursting with tasty seeds and grains.' Constantly evolving with our NEW Hovis® Farmhouse Batch Loaf, made using a carefully prepared starter dough that enhances both the flavour and texture of the loaf. Alongside, the NEW Hovis® Nimble® Danish White Loaf, which supports health-conscious consumers being low in fat, sugars & 53 calories per slice.

ORMO® - one of Northern Ireland's most iconic brands - has been baked in Belfast since 1875. The ORMO® range spans Pancakes, Soda Farls, Potato Farls, Muffins and more. Today, quality and great taste are at the very heart of the ORMO® brand with NI consumer's highlighting the brand as the Number 1 for Quality, Great Taste & 'Brand for Me' against the competitive set**. ORMO® was awarded Best Brand at the 2024 Belfast Telegraph Marketing awards reflecting ORMO®'s brand success and broad consumer appeal. Join us in 2025 as we celebrate ORMO's 150th year creating great tasting bakery products for NI consumers.

Hovis® and ORMO® with their continual focus on taste, provenance and quality will remain a key player in Northern Ireland's agri-food sector.
