

Farmview Dairies Ltd

Chilled

Background

Formed in 1978 and cradled in the lush pastures of the Castlereagh Hills, Farmview Dairies produce liquid milk, cream, buttermilk and orange juice.

In order to minimize our carbon footprint, raw milk is sourced from selected producers within a 5 mile radius of the dairy.

Products are manufactured in an EC approved facility and recent innovations include the launch of a leak proof cap on all polybottles.
