## Background

### FOREST FEAST

Forest Feast is an innovative snacking brand that makes everything in-house at its base in Northern Ireland and sold to customers across the UK in retail, foodservice, e-commerce and travel retail. The brand is growing 35% YoY, and is now the No.1 brand in the market for Chocolate Dipped Nuts, Chocolate Dipped Fruits and Dried Mango. The love and loyalty for the brand is testament to the high quality and innovative products that delight consumers. The business is committed to working with suppliers who share their vision and values for sustainable supply. Its 25-year relationship with the PREDA Fair Trade foundation, based in the Philippines, has contributed to building a sustainable future for the communities from which they source. The brand has also committed to using Cacao-Trace certified chocolate across its range, and partners with Ecologi to plant trees. The brand offers many different pack formats for different occasions, including its top selling lines such as Salted Dark Chocolate Almonds, Dark Chocolate Cherries; and Heather Honey Sea Salt Roasted Nut Mis, in impulse pack format, ideal for wholesale.

### ACTI-SNACK

ACTI-SNACK offers a range of high protein snacks and granolas that are nutritionally tailored to fuel the body better. It appeals to elite athletes right through to casually active people, who are looking for delicious, but natural snacks that can give them a boost to their performance. The range includes HFSS compliant Keto & High Protein Trail Mixes, as well as High Protein Granola and Porridge Pots.

### JUST LIVE A LITTLE

Just Live a Little gluten free granolas and porridges are rich and beautiful combinations of colours, tastes and textures, using wholegrain gluten-free oats, and nature's finest nuts, fruit and seeds. We then bake in small batches for you to enjoy a better breakfast by the spoonful, bowlful or even by the handful. The range is all free from gluten, vegan, with no refined sugar and supports good gut health.
