

Greenfields Ireland Ltd

Ambient Chilled

Background

Greenfields Ireland Ltd was established in 1992 as NIDCO Foods 1992 Ltd. From its formation it has evolved and traded as Greenfields Ireland Ltd since July 2008 and currently has a workforce of 30 people. We are based in Belfast, Northern Ireland and have regional offices in Nantwich, England (Greenfields Ingredients) and in Dubai, U.A.E. (Greenfields Ireland L.L.C.).

We are an international dairy trading company supplying dairy ingredients, specialist milk products and finished dairy products to customers throughout Europe, the Middle East, South America, Far East and Africa.

We source an extensive range of products including butter, AMF, milk powders and a range of cheeses from suppliers locally in Northern Ireland to suppliers in United Kingdom, throughout Europe, Asia, North and South America and Oceania.

Our office in Belfast is the hub of our sales and marketing and export administration teams and is focused on anticipating and meeting the needs of our

global customer base.
