

Kearney Cheese Company

Chilled

Background

Kearney Blue Cheese is produced at Faimview Dairies in the Castlereigh Hills using the finest pasteurised cows milk.

It a semi-hard cheese with a distinctive rind, an open texture and smooth, creamy flavour. The cheese is now being sold in 550g and smaller 225g rounds to leading delis and hotels throughout Ireland.

Kearney Blue has received recognition at the International Cheese Awards, the World Cheese Awards and The Great Taste Awards.

Fairview Dairies is a leading local dairy business . Paul McClean who developed the cheese in 2010 continues to produce the cheese for Farmview.

Established in 1987, Farmview Dairies currently employs 25 people at its processing operation and supplies its products to foodservice operations in NI and the Republic of Ireland.
