## **Around Noon Ltd**

Chilled Fresh Frozen

### **Background**

Around Noon Ltd is a unique, market leading Food-To-Go manufacturer, established around the Chambers' kitchen table in 1989. Celebrating 30 years the business has grown at pace and now is a four-site group headquartered in Newry, Co. Down, including Around Noon Bakery.

We are committed to creating outstanding 'hand-held food for people on the move'.

Our product range includes sandwiches, wraps, salads, fruit, snack and granola pots plus a hot range, all of which are regularly reviewed to ensure we offering the most innovative food on the market.

We supply our own brand 'Scribbles' range and can also offer a bespoke service, creating and designing a menu that will work for customers as well as packaging and label design, providing a full-service approach. We believe our focus on innovation is one of our key strengths and we work in partnership with all our

customers to add value and insight in order to drive their sales.
