

Avondale Foods (Craigavon) Ltd

Ambient Chilled Fresh

Background

Avondale Foods (Craigavon) Ltd. manufactures vegetable accompaniments, side salads, fresh soups, sauces, dough balls, porridge and noodles for distribution throughout the UK and Ireland. These products are supplied under supermarket own brand and Avondale Foods Country Kitchen brand and are available in retail or catering formats.

Product development lies at the heart of Avondale Food's continued success with the company now manufacturing noodles on site. The growing breakfast market has inspired the company to develop a fresh porridge with delicious toppings.

Country Kitchen showcases the company's coleslaws and soups while own brand products are developed in accordance with customer's specific requirements.
