

Keenan Seafood

Chilled Fresh Frozen

Background

Keenan Seafood Limited was established in 1991 although the Keenan family have been associated with the fish business for three generations. The company supplies many of the leading restaurants and hotels in N Ireland as well as fish & chip shops and public sector bodies (schools and hospitals).

Keenan Seafood also produces a range of pre-packed fish lines and "ready to cook" fish convenience meal dishes for the retail market.

In 2013 the company made a major investment in its factory facilities at Kennedy Way Belfast to enable it take advantage of future opportunities to grow its business.
