### **Background**

The Echlinville Distillery is Ireland's first field-to-glass distillery and the first new distillery in Northern Ireland for more than 125 years.

An independent family-run distillery, Echlinville has established itself at the forefront of Ireland's burgeoning spirits industry and is home to some of the country's best known and respected brands including Dunville's Irish Whiskey, Jawbox Gin, Echlinville Single Estate Irish Pot Still Gin, Weavers Gin, Bán Poitín, Old Comber Whiskey and Matt D'Arcy Whiskey.

A genuine farm distillery, all Echlinville's new make spirit is distilled from barley grown, harvested and floor malted on the distillery farm. Echlinville is a place where the ancient art of distilling is revered, Irish whiskey heritage is respected and quality is never compromised.

Echlinville has gained global recognition for its Dunville's Irish Whiskey portfolio – a range of premium and ultra-premium single malts, blends and limited edition single cask whiskeys. Known as The Spirit of Belfast, Dunville's has received worldwide acclaim for its exceptional sherry cask finishes. Winner of around 50 global awards, Dunville's was recently named Ireland's Best Whiskey, receiving the coveted Whiskey Of The Year title at the Irish Whiskey Awards.

Situated on the historic Echlinville Estate in a designated Area of Outstanding Natural Beauty, Echlinville's tours, tastings and visitor experiences attract visitors from across Ireland and the world.
