Background

Norbev, Northern Ireland's leading soft drinks contract packer, has developed into one of the UK's leading contract bottlers for 'blue chip' customers such as Coca-Cola, Britvic, Vimto, GSK, Spring Cool, and major German discounter Aldi.

Established in 1919, the company has experienced continual growth, with the installation of state of the art bottling lines - both PET and Glass lines. The lines are specifically designed with rapid change parts to handle a wide range of bottles and pack sizes.

Norbev's heritage and development is based upon innovation and a "can do" approach to delivering customer needs and satisfaction.

Norbev produces upwards of 100 million bottles of soft drinks and water annually.
