

Europa Foods Distribution Ltd

Chilled Fresh Frozen

Background

Established in 1996, Europa Foods is one of Northern Ireland's leading bacon slicing plants.

Europa Foods offer a wide range of pack sizes in both vacuum and controlled atmosphere packaging and supply both the catering and retail sectors.

The company also offers an extensive range of other products including fresh pork sausages, chicken, beef, fish and turkey.

Europa Foods are Northern Ireland agents for the famous Clonakilty Black and White pudding.

The company's ability to produce consistent, high quality products at competitive prices has enabled it to develop considerable business with distributors throughout Ireland under their own label.

Europa Foods also exports bacon to Turkey and the West Indies.
