

# Linwoods Health Foods

Ambient

## Background

Based in Armagh and established in 1965, we are a family owned company that manufacturer a range of Premium Bakery, Dairy and Healthy Super Foods.

Linwoods products are sourced in their raw form from around the world and are selected from the best suppliers and growers to ensure the highest quality and standards.

Today Linwoods produce a range of healthy super food combinations, many of which contain Milled Organic Flaxseed, and they are a convenient, easy and quick way to gain a wide range of essential fatty acids, vitamins and minerals in your diet.

Only the finest quality seeds and berries are sourced from around the world to produce our natural, tasty and nutritious super foods to help give a super health boost to your diet.

We distribute our healthy super foods throughout Health, Grocery stores and pharmacies throughout Ireland, UK, Europe and the USA.
