

F C Robinson Ltd

Chilled Fresh Frozen

Background

Fred C Robinson is based in Ballyclare, Co Antrim Northern Ireland. We are a family owned pork processor which was established in 1905 and are one of the oldest pig meat processors in Ireland.

We operate from a 3700m purpose built facility, processing only Pig meat on site, which is sourced locally from approved suppliers.

In recent years the company has invested heavily in state of the art equipment in order to maintain the high standards of quality which our customers demand.

The business is typically split into four parts:

Direct Sales Operation -

Serving retail butchers, independent supermarkets etc with a full range of pork, bacon, ham and sausage products.

Retail, Multiple/Symbol Groups-

Range of retail packed pork and sausage products both in private and own label.

Foodservice -

Government contracts, Restaurant and Fast Food outlets with a range of Pork, Sausage and Cooked Ham products.

Trading -

We have alliances with ham cookers, joint sellers and sausage and pie manufactures, locally and in the UK.
