

Skinny Malinkys cold-pressed juice

Chilled Fresh

Background

Skinny Malinkys cold-pressed juice specialise in making delicious, cold pressed fruit and veggie juice that's naturally low in sugar, high in nutrients, have an average of 55% veggies and each 250ml bottle is 2 of your 5-a-day.

Our slow process of cold-pressing retains up to 50% more nutrients than standard juicing and we use cold high pressure technology (HPP) to give our juice a 45 day chilled shelf life. This ensures that our tasty bottles of juice retain all their high level nutrients as they are never ever heat treated or pasteurised.

Our 100% natural, cold-pressed, nutrient dense, juice is the ideal way to get more goodness into your daily life. They're the perfect nourishing & refreshing daily pick-me up or they can be combined to create a complete body resetting juice Cleanse.

This all day product is ideal for Breakfast - Lunch - Dinner - Snack - Pre and Post workout - Hangover - Caffeine Alternative - Immune boost - Anti-inflammatory - Energy Booster

Cold-pressed, HPP'd juice is the fastest growing section of the fresh juice category. Be part of the health revolution and stock a juice that is actually healthy.
