Mackle Snacks

Ambient

Background

Mackle Snacks is a leading private label manufacturer of premium private label extruded snacks to markets such as baby & toddler, organic, conventional, good for you snacking and functional.

Established in 2005, they've gained a respected and trusted reputation within the snacking and extrusion industry. Still run by co-founder, Joseph Mackle, the purpose-built factory and staff continue to uphold their commitment to quality, service and innovation.

All products are developed with the in-house NPD team and manufactured on site. Exporting worldwide with leading brands, all products are Non-GM, free from MSG, vegetarian and free from artificial colours and flavours.

Mackle Snacks have their own range of baby food called Chloe's Organics. This range offers parents a healthy alternative to conventional snacking and weaning from 6months+ packed with wholesome grains, fruits & vegetables and no added sugar or salt.

Product Range

Extruded corn snacks in a range of flavours and shapes.
High protein, high fibre, multigrain extruded snacks.
Organic, baby–food grade (to EU, China, Australia legislation) snacks & porridges.
At a request products can be gluten–free.
All products produced in a nut–free site.

All products are available in a range of packaging formats, including pillow pack bags (6g – 150g), multipack bags/boxes, stand up pouches and canisters.
