

Paradox[®]

The Omega Oil with a difference

Paradox Omega Oils Ltd

Ambient

Background

Paradox Omega Oils Ltd based in Belfast is a young, innovative, family run company which has researched and developed a unique range of high quality Omega 3 fatty acid food supplements.

Totally natural and totally pure, Paradox Omega has a range of products for all the family.

Scientifically proven to be more stable than ordinary Omega 3 fish oils, Paradox products are renowned for their unrivalled quality and are manufactured to GMP, MHRA standards.
