

Pinkertons Limited

Chilled Frozen

Background

Pinkertons of Armagh is a family lead business in Northern Ireland and offers a comprehensive service to the catering industry.

For over 50 years Pinkertons have been manufacturing quality local meat products including Prime Gammon, Bacon and Sausages, which are all produced to the highest standard from our purpose built plant, nestled in the picturesque village of Milford in the heart of the countryside.

Added to our local meat range is an extensive range of innovative food products sourced for the ever changing foodservice industry.

At Pinkertons we have our own fleet of fully refrigerated vehicles which allows us to maintain excellent service levels and we are proudly renowned for our quick, friendly, reliable service time after time, so whatever your catering needs look no further than Pinkertons of Armagh.
