

CCL Label Ireland

Background

CCL Label Ireland are part of the CCL group of companies who are the largest label converters in the world. We have over 170 sites worldwide and have a presence on every continent. We provide a vast range of pressure sensitive label products, from the single ply to multi page constructions.

From our purpose built factory in Belfast we ensure that all of our products meet the highest quality standards and are designed to match and surpass customers expectations.

We are fully accredited with BRC to manufacture labels for the food sector. We have attained a Grade "A" status which allows us to produce products for direct food contact. We are also FSC & PEFC approved

We pride ourselves on a fast turnaround for the demands of this market, delivering a bespoke product with short lead times.

From a technology point of view we have conventional flexo printing and are the only site in Northern Ireland that can offer HP Digital label printing.

To sum why you should choose CCL for your Label needs the question should be why should you not!
