

Fresh Food Kitchen Ireland Ltd

Chilled Fresh

Background

Fresh Food Kitchen Ireland Limited (FFKIL) creates and distributes a range of premium fresh salads, salad meals, bulk salads, meal accompaniments and chilled desserts.

These products are marketed to the Northern Ireland and Republic of Ireland independent retail and catering sector.

Fresh Food Kitchen Ireland was established in 1988 and was taken over by the PRM Group in January 2007, who provides a sales and distribution service for the products which are produced at its manufacturing site in Derry.

Fresh Food Kitchen is a trusted and well established brand throughout the island of Ireland. The product portfolio consists of more than 80 chilled ready to eat and convenience products marketed to the retail and catering sector within the island of Ireland.

The company is now part of the PRM Group, who are one of the largest independent chilled and frozen sales and distribution companies in Ireland and can also cater for the UK market.
