

Gilfresh Produce Ltd

Chilled Fresh

Background

Gilfresh Produce Ltd was established by the Gilpin Family in 1965 and has today firmly established itself as one of the country's leading vegetable providers. It is a family run company based in Loughgall in Co. Armagh. The company is dedicated to the growing, sourcing, packing, processing and distribution of a wide range of core and prepared vegetables.

Gilfresh Produce grows a wide range of the highest quality vegetables on their own farm, Gilpin Farms, covering all categories of brassicas, roots, salads and even pumpkins and they also work with a network of valued growers.

The company's production facilities in Loughgall are state of the art and hold the prestigious AA BRC Accreditation and are also organically certified.

Gilfresh Produce are always interested in hearing from new customers and can tailor what they do to suit all businesses.
