

McKeown Fine Foods Ltd

Chilled Fresh Frozen

Background

McKeown Fine Foods is a family run Food Processing Company employing 130 people. The Business began on the family farm in the late 1980s, growing and processing fresh turkeys. Now producing Breaded and Battered Chicken products, McKeown Fine Foods provide Breaded and Battered Fillets and Goujons to the wholesale trade throughout the UK and Ireland.

A new separate plant for cooking chicken, meat, ham, lamb and turkey was opened in 1999 and extended in 2002. The Company markets are in Northern Ireland, Republic of Ireland and Great Britain, in the Food Service Sector and Retail.

The facilities are EU approved and we have been awarded BRC accreditation at the highest level each year since August 2001.

Our Commitment

In this family run business, brothers Conor and Damian are committed to providing quality and service on which you can always depend. Throughout Ireland, and with our customers in England and Scotland, the company is well known and have earned the respect of a wide customer base.

To ensure that this happens, both brothers are wholly involved in the food production areas. While not being office bound both make themselves available on a daily basis to discuss with customers, products and marketing.
