Ambient Chilled Fresh

Background

Tasty Foods was established in 1990 by Conor & Kathy Daykin to supply a range of Concentrated Sauces products to the local market, primarily servicing independent traders.

Since then, it has grown rapidly to become one of Northern Ireland's premier food producers. Our current production facility, which opened in 2008 is a purpose built 20,000 square ft state of the art manufacturing facility, located in Dunmurry, on the outskirt of Belfast.

We operate in a fully accredited site, with grade A BRC
