

## **P McCann & Sons**

Fresh

### **Background**

P. McCann & Sons was founded in 1968 on the McCann family farm, Kilmore, Co. Armagh, now based in state of the art facilities in Portadown, Co. Armagh and Dublin Fruit Market.

McCanns is a 3rd generation family run business, well known throughout Ireland and the UK for the service and products they provide to the Supermarket, Retail, Wholesale, Catering, Juice and Cider Markets.

With nearly 50 years of experience and knowledge of the market, our business provides to the fresh produce, fresh fruit juice and cider markets; growing, storing, packing, pressing...producing fresh apples, pears, organic apples/pears along with processed diced/sliced apple and rhubarb as well the company's own branded: McCann's Harvest Pure Apple Juice and Apple County Cider range.

McCann's Harvest is a brand name that is quickly becoming recognized as a symbol of high quality products as well as Apple County Cider becoming known for being a high quality premium craft cider, made with 100% fresh pressed Irish apple juice.

McCanns Pure Apple Juice Range is blended with a number of berry juices as well as carrots and pears; this gives the consumer a range that will suit everyone's taste.
