

Feedwell Dog Food

Background

Feedwell Dog Food, for over 60 years and through three generations of Family ownership we have been feeding dogs quality dog food, we have remained throughout that time one of the leading Independent pet food manufacturers within the UK and Ireland. Today we are the only manufacturer of dried dog food in Northern Ireland.

In 1962, Jimmy Clegg, the founder of Feedwell, had a simple desire to create a family of products that delivered high quality nutrition at affordable prices to all types of dogs. This is still what we do today, all made in our own county down mill.

Products are supplied to wholesale, retail and pet specialist markets. We supply dry dog and cat food in a range of sizes from 2.5kg up to 15kg. Our products cater for all types of cats and dogs from puppy/kitten up to adult and we have a product to suit all activity levels.

Delivering fantastic customer service and maintaining relationships is paramount importance to us. Some of our customers have been with us since 1962 and we believe this is testament to the quality products we supply and the level of service we deliver. You can be assured of products that will help deliver value and quality for your customers across our product range.
